FROM THE AMERICAN PEOPLE

Summary

1. Step 1 in the Planning Cycle is forming multi-stakeholder partnerships, which consist of organizations from different sectors that combine their resources in ways that achieve greater impact than they could have alone;
2. Step 2 in the Planning Cycle is developing a shared understanding of trends, issues and opportunities in the landscape, and document baseline conditions;
3. Step 3 in the Planning Cycle is designing interventions and planning actions; to vision an ideal CSA landscape and initiate an action plan;
